Executive Summary

This comprehensive case study outlines an agency-grade 360° digital marketing strategy for Daewoo Express Pakistan. It transitions the brand from purely transactional announcements into a dominant, customer-centric digital powerhouse by leveraging short-form video content, high-converting Meta ad funnels, streamlined engagement workflows, and data-driven performance analytics.

1. PRIMARY BRAND OVERVIEW

Brand Identity & Positioning

Primary Brand: Daewoo Pakistan Express Bus Service (@daewooexpress)
Industry: Intercity Passenger Transport & Express Logistics
Positioning: Premium, punctual, highly secure, and comfortable intercity transport.

Core Brand USPs (Safety Focus)

Key USP **Pre-Departure Camera Recording:** On-board security protocol for passenger safety.
Key USP **Terminal-to-Terminal Model:** Strict security checks ensuring high trust for solo female travelers.

2. TASK 1: SOCIAL MEDIA AUDIT & COMPETITOR ANALYSIS

A benchmark audit conducted across major Pakistani intercity transport brands on Instagram & Facebook:

Brand Name	Followers	Posting Rhythm	Primary Content Strategy & Visual Style
Daewoo Express (Primary)	~85,000	3-4 posts / wk	Official corporate announcements, mobile app booking promos, schedule graphics.
Faisal Movers	42,000	1-2 posts / day	High-production promo videos, event launches, fleet reels, heavy video push.
Niazi Express 99	5,177	2 posts / day	Raw behind-the-scenes fleet footage, authentic driver clips, minimal graphic design.
Road Master	9,353创	1 post / wk	Strict branded color graphics, route price drops, discount promotional banners.

Audit Key Takeaways for Daewoo

Competitors leverage high-frequency video reels for organic reach. Daewoo must adopt short-form vertical video (Reels/TikTok) showcasing bus interior luxury, punctual arrivals, and pre-departure female safety protocols to dominate organic engagement.

3. TASK 2: 1-MONTH CONTENT STRATEGY & PILLARS

To establish authority, trust, and consistent organic growth, Daewoo's social strategy is built on 4 balanced content pillars mapped across Instagram and Facebook.

Pillar 1: Safety & Peace of Mind (30%)
Highlighting pre-departure security camera recordings, trained crew, terminal safety, and secure solo female travel experiences.

Pillar 2: Comfort & Journey Experience (30%)
Showcasing Gold Class luxury, sleeper seats, free Wi-Fi, audio/video entertainment, and on-time terminal departures.

Pillar 3: App Bookings & Route Offers (20%)
Promoting instant digital seat selection, fare price drops, contactless ticketing, and terminal navigation tips.

Pillar 4: Community & Interactive (20%)
Travel debate polls, weekend destination guides, holiday greetings, and passenger spotlight testimonials.

WEEKLY CONTENT EXECUTION CALENDAR (SAMPLE WEEK)

Day & Pillar	Format	Visual & Creative Brief	Caption Copy & CTA Preview
Monday Safety	Reel Video (15-30s)	Passenger stepping aboard, terminal security check, pre-departure camera recording alert.	"Your safety is documented before we roll. Solo female travelers trust Daewoo for peace of mind." **CTA:** Book on App.
Wednesday App Offers	Carousel (3 Slides)	Slide 1: Route graphic. Slide 2: Screen recording of 3-tap seat selection. Slide 3: Fares.	"Skip the counter lines! Pick your seat & departure time in 60 seconds on the Daewoo App." **CTA:** Download Now.
